(Sofa) Multi-seat Jiliao Fabric

Low saturation soft milky white, like spilling a cup of warm oatmeal milk, easy to integrate into the log style/minimalist style/medieval style home, enhance the sense of spatial respiration. High-density sponge + independent pocket spring, cushion partition support lumbar vertebrae, sitting for a long time without collapsing. Ultra-deep seat depth design, cross-legged/lying are comfortable.

(Sofa) Multi-seat Jiliao Fabric

Break the traditional square pattern, smooth wave lines such as blooming petals, giving the space dynamic vitality. The concave and convex design creates a casual and lazy wabi-sabi atmosphere, and each side is a unique landscape. Floral print fabrics, matte texture + high colour fastness technology, refusing mediocre plain colours.

(Sofa) Multi-seat Jiliao Leather

Sharp straight lines outline the modern silhouette, suitable for large flat/LOFT/business space, highlighting the calm aura. The contact surface is made of genuine leather to retain the natural pore texture, which precipitates a unique luster with the use of time. When the sunlight sweeps through the armrest fold design double rows of lines, that is the mechanical craftsmanship written to the poetry of life..

(Sofa) Multi-seat
Jiliao
Fabric

The traditional bamboo shape is abstracted into a sofa, a visual symbol of rigidity and flexibility. 3-5 units can be freely combined, enclosed into an island-style meeting area or split into an independent toffee couch. The high backrest provides complete support for the spine, while the low armrests allow for a more relaxed seating position.

There is no restriction of armrests, but there is the companionship of side tables - this is the perfect balance of freedom and sophistication. The armless design breaks the traditional boundary, allowing for a freer sitting posture and a more relaxed reclining position. Natural snowflake white stone countertop, and fabric sofas to form a texture collision, hand put a cup of coffee are the scenery!
